

Minety Rugby U16's

2010 Tour Sponsored Cycle Ride

Sunday 24th January 2010

Background

The Minety Rugby Club U16's squad is going on a Tour to the Channel Islands with matches against both the Guernsey and Jersey clubs. The Tour provides an opportunity for the players to spend a concentrated period improving their rugby playing skills, the chance to play new teams as well as developing a stronger team spirit.

As part of the fund-raising activities for our Tour to the Channel Islands we are going to complete a sponsored cycle ride of 374 miles.

Why 374 miles?

This is the distance from Minety to the Channel Islands and back again so it seemed like as good a distance as any!

The cycle ride will take place over a 1 mile course with the players working in relays to complete the total distance. Each rider will cover 16 miles as part of the event.

Thank you

Thank you very much for any support and sponsorship you can give towards this challenging event, all of the money we raise through this cycle ride will go towards food, transport and activities on the Tour giving the players the best experience we possibly can.

Kind regards

Daniel Thomas
U16s Head Coach

John Willcock
U16s Team Manager
