

Senior Membership - Policy

The club is targeting to increase its membership (both playing and non-playing) and recognises that to achieve this it must not only provide value for money but also remove excuses not to become a member by securing access to member benefits. We will achieve this by:

- Increasing the range of benefits available to members making membership more attractive
- Ensuring only paid up members of Minety RFC are eligible to member benefits
- Introducing the principle that members will benefit from lower costs for activities and supplies than non members.

To do this we are introducing annual membership cards with photo identification which will be used to access member benefits. It is hoped to have the cards by early October.

2019-20 Fees

Senior Playing Membership	Regular players	£120 (no match fees)
	Occasional Players	Membership (£48) plus £5 match fees
	Students, living at home	£48 (no match fees)
	Students, living away from home	£24 (no match fees)
